1. My first, Fifth, Sixth, Eighth, and Fourteenth Amendment rights have been violated by the following:

2. The Ohio Department of Rehabilitation and Corrections (ODRC), and Chillicothe Correctional Institution (CCI), have instituted policies, including Administrative Rules 75-MAL-01; 75-MAL-03; and Administrative Code 5120-9-17, each in themselves and in connection with practices and procedures, acted to violate my right to (1) be free from mail censorship, by (2) opening my inmate mail in an 'arbitrary' or 'capracious' fashion, and (3) violated my access to the courts;

3. The staff acted under color of law in their official capacities, and acted in their individual capacities, by arbitrarily and capracious opening two pieces of my legal mail outside of my presence, and further violated my rights by making copies of these pieces of legal mail then delivering through the regular mail process, resulting in yet another violation when one of them was delivered to another inmate, and even further violated my rights by their retaliation against me for asserting my rights through the prison's grievance procedures, by the following events that caused injury to me:

4. On 09/28/24, the first incident occurred, where I received my legal mail from Inmate-Chaney (A829-355, 265T), because the mail was delivered to his rack as regular mail (copied) by C/O Williams;

5. On 10/16/24, the second incident occurred, where I received more legal mail today similar to 09/28/24, it was also opened outside of my presence and copied and delivered by regular mail like the other, and delivered by C/O Williams;

6. On 10/16/24 @ 19:19, I filed Informal Complaint Request (ICR) (# 495 734 661), asserting constitutional violations of my legal mail delivery;

7. On 10/16/24 @ 23:02, I filed a second ICR (# 495 793 411), asserting constitutional violations of my legal mail delivery;

8. On 10/27/24 @ 13:15, I filed a grievance (# 498 783 841), complaining of not having received an answer to the two priorly filed ICRs, [as they were beyond when they should have been answered];

9. On 10/27/24 @ 14:27, I filed another grievance (# 498 802 311), because I spoke with Deputy Warden and he took a picture of my legal mail and asked me to give him till Wednesday to look into the matter, but I still had not received response to grievances [IACs at the time] from 10/16/24 of the constitutional issues;

10. On 10/28/24 @ 07:43, Lt. D. Cannon responded to first IAC (# 495 734 661), and said, "I have addressed this issue with the mailroom staff to assure that this does not happen again";

11. On 10/28/24 @ 08:32, C. Lambert denied grievance (# 498 802 311), due to failure to establish that Warden violated the law;

12. On 10/28/24 @ 08:34, C. Lambert denied grievance (# 498 783 841), due to failure to establish that Inspector violated the law;

13. On 10/28/24 @ 20:41, I escalated first IAC to a grievance (# 495 734 661), complaining of the failed procedure of 5120-9-17 in handling of legal mail;

14. On 10/29/24 @ 09:21, Inspector Free investigated grievance (# 495 734 661), and citing 75-MAL-01 and 75-MAL-03, he then denied grievance;

15. On 10/29/24 @ 13:26, I appealed grievance (# 495 734 661) to the Chief Inspector, as my complaint and issues [of constitutional proportion] remain unanswered/not addressed;

16. On 10/29/24 @ 14:13, Lt. D. Cannon responded to second ICR (# 495 793 411), explaining if mail did not receive a control number then it would not be treated as legal mail. It would have been copied and delivered as normal;

17. On 10/30/24 @ 08:18, I escalated second ICR to a grievance (# 495 793 411), complaining of problem with [their] not following AR 5120-9-17, which clearly states "NO LEGAL MAIL WILL BE OPEN WITHOUT THE PRESENCE OF SAID RECIPIENT," and my issues remain unanswered/not addressed;

18. On 10/30/24 @ 09:52, Inspector Free marked grievance (# 495 793 411) as a duplicate of grievance (# 495 734 661), and saying, "wait for the response on your already filed appeal to the Chief Inspector's office and refrain from filing duplicate complaints." [(Although it was a separate incident and a separate complaint)];

19. On 10/30/24 @ 09:52, grievance (# 495 734 661) logged grievance (# 495 793 411) as a duplicate;

20. On 10/31/24 @ 15:19, Assistant Chief Inspector K. Morrow Affirmed Inspector Free's finding on first complaint/grievance (# 495 734 661), and explained no further action would be taken by their office in relation to this complaint;

21. On 11/12/24 @ 08:34, I filed a third ICR (# 503 482 141), because @ 03:30 [AM] office[r] Patrick woke me up and state[d] I am on the w[a]ke up list. I state that I no longer work in the kitchen. He responded very disrespectfully by stating "you is on the mufuckin list, get you ass up." I again tried to

state I'm not on the list, He then stated "I woke your mufuckin ass up so you on the list." C/O Patrick did violate ODRC policy under the standard of employees conduct 31-SEM-02 by making such an inappropriate statement. Would someone remind officer Patrick this conduct is beneath him once he agreed to behave accordingly to said policy he sign[ed] upon his employment with ODRC... I fear for retaliation;

22. On 11/16/24 @ 18:40, J. Currier replied that they would address my issues with the officer [Patrick] and council him on proper behavior. And, closed the complaint (# 503 482 141);

23. On 11/18/24 @ 13:34, I escalated ICR (# 503 482 141) to a grievance, as I feel more than a verbal reprimand is require[d] to prevent this behavior from reoccurring. I fear for retaliation. Issue unanswered/not addressed;

24. On 11/19/24 @ 18:09, I filed grievance (# 505 890 801) against Inspector Free, because when he investigated grievance (# 503 482 141) against C/O Patrick, Free made the sarcastic statement "What you want me to do fire him[?]", as if it was a non-serious matter. I feel Inspector Free didn't demonstrate a professional behavior to address this matter. He is in violation of employee conduct rule 31-SEM-02-7-12(a)-18-27-42-44-50. I feel Inspector Free should be reprimand[ed] for unprofessional behavior to address this matter. I fear for retaliation;

25. On 11/19/24 @ 18:34, Inspector Free investigated ICR (# 503 482 141), then granted grievance, and stated problem corrected;

26. On 11/19/24 @ 18:40, Inspector Free investigated ICR (# 503 482 141), and stated all issues have been addressed;

27. On 11/19/24 @ 20:54, I filed a grievance (# 505 948 561), because [as] I was walking in from the commissary [Officer Strausbaugh] asked what did I have in my shirt. I reply commissary. He stated I will be up there. He came and 'shook me down' [a search of my property], and stated "this is not a retaliation." I feel this was retaliation from a complaint on his fell[ow] officer C/O Patrick, because the past 30 [shakedowns] I observed first shift officer Strabron confiscated the same contraband from several inmates and showed favoritism by not writing a conduct report. He violated 31-SEM-02 standard of employee conduct rule 7-45-(a), and I feel he should be reprimand[ed]. I fear for retaliation;

28. On 11/21/24 @ 11:26, C. Lambert denied grievance (# 505 890 801), as he finds the requirement to show Inspector violated was not met;

29. On 11/25/24 @ 11:34, I filed ICR (# 507 523 181), because I was woke up around 08:40 by Ms. Ivory [Ivey], and asked to come see her in her office. I came and had a[n] interview with Ms. [Ivey]. She ask[ed] me about the grievance (# 505 948 561) I filed on [Strausbaugh] ~~Strobune~~. And, then she asked question about if I'm from up North, or do I have family up North. I responded what do that have to do with this grievance [# 505 948 561] I'm here for? She reply, "I'm just trying to help you understand how this work down here." I feel she violated the rule 31-SEM-02-7-12(B)-13-18-42-44-50 standard of employee conduct, because where I'm from or how much time I have here is not what interview should[] have been about. I feel she should be reprimand[ed]. I fear for retaliation;

30. On 11/25/24 @ 12:08, I appealed grievance (# 503 482 141) to the Chief Inspector, regarding Inspector Free's investigation, where Free made sarcastic statement "what you want me to do fire him[?]", as ifit was a non-serious matter. I feel that Inspector Free didn't demonstrate a professional behavior to address this matter. He is in violation of employees conduct rule 31-SEM-02-7-12(a)-18-27-42-44-50. I feel Inspector Free should be reprimand[ed] for unprofessional behavior to address this matter. I fear for retaliation. Issue unanswered/not addressed;

31. On 11/26/24 @ 15:56, D. Pettiford responded to ICR (# 505 948 561), "You was called to the Captain's office to discuss this grievance and you stated that prior to Sgt. Jensen hearing your conduct report you had filed this. When the conduct report was heard, Sgt. Jensen had determined you to be not guilty. You also mentioned that you had talked to UM Ms. Ivey about this concern and that it was discussed and taken care of. After this I then asked you if there was any other issues and you stated no. At which time I then said that you could return to your unit.";

32. On 11/27/24 @ 11:33, C. Lambert Affirmed grievance (# 503 482 141), then closed grievance;

33. On 12/05/24 @ 09:13, C. Free denied grievance (# 507 523 181), after an investigation he did not believe this incident rises to the level to be considered for inappropriate supervision. And, this office will take no further action concerning this matter;

34. On 12/05/24 @ 19:49, I escalated grievance (# 507 523 181), because I believe Mr. Free ruling was b[]ased on a bias culture here at CCI. Ms. Ivey's comments is a derogatory statement that [is] commonly used among staff here

in CCI. I fear for retaliation. Issue unanswered/not addressed;

35. On 12/06/24 @ 15:37, K. Morrow Affirmed Grievance (# 507 523 181), then closed grievance;

36. On 12/18/24 @ 14:44, I filed ICR (# 514 737 951), because today I went to speak with Mr. []napier case manager about paper[work] that Mr. Free stated he send to staff. He [Mr. Napier] stated what can I do for you 'bub,' and I stated that it's a derogatory statement [bub]. He asked me what [does] it mean it is a derogatory statement[?] [I explained], the staff commonly use that term ['bub'] frequently when addressing inmate[s]. I have addressed this issue with Ms. Ivey, who apologiz[d] after confirming that the term is a derogatory statement. I don't understand how so many professional staff member[s] are so [accepting] to commonly using the derogatory term 'bub,' which stand[s] for 'black ugly bitch.' Will you correct your staff by acknowledging that this is a fact and stop using this derogatory term. I feel Mr. Napier Case Manager violated standard of employee conduct rule 31-SEM-02-7-12(B)-13-18-42-44-50, and I feel he should be reprimand[ed]. I fear for retaliation;

37. On 12/18/24, Mr. Napier wrote me a ticket for disrespecting him and lieing;

38. On 12/19/24, I was sent to the hole for the ticket from Mr. Napier;

39. On 12/24/24 @ 14:54, A. Ivey responded to ICR (# 514 737 951), saying this has been addressed with unit staff. And, closed the complaint;

40. On 12/25/24 @ 13:12, I escalated ICR to grievance (# 514 737 951), because on 12/24/24 @ 09:08 Mr. Free responded to me, "I will forward to your unit staff." the copies I requested for 5644,5554, and 5570. Now I'm being punished because Mr. Napier stated I lied about what Mr. Free stated to me. I stated to Ms. Ivey that I'm being retaliated against and [she] stated that I'm using that word ['retaliated'] a little to[o] much. Now look w[h]ere I'm at, for being accused of lie and disrespecting to the case manager Mr. Napier. This is cruel and unusual punishment that I have to be in the [hole] [while] I have proof that I'm being retaliated against, for Mr. Napier, Mr. Free, and Ms. Ivey, conspiracy to cover a lie [their lie] and disrespect conduct [their disrespect of accusing me of the same] report. I feel [they] violated the AR and 31-SEM-02-7-12(a)-(b)-13-18-42-44-50- and should be reprimand[ed]. I fear for further retaliation. Issue unanswered/not addressed;

41. On 12/26/24 @ 13:32, C. Free denied grievance (#514 737 951), because he felt there was insufficient evidence to support claim;

42. On 12/27/24 @ 18:43, I appealed grievance (# 514 737 951) to the Chief Inspector, because I showed proof that I did not lie on Inspector Free about the kite he sent me stating, "I will forward them to your unit staff." (sent to me 12/6/24 @ 09:08 [and regarding] request copies of grievances 5644, 5554, and 5570). Why I'm in the [hole] for accusing Mr. Free of making a statement that he would send the copies to the unit staff. Here it is that Mr. Napier stated I lie and disrespected him because I asked him not to address me with a derogatory term [like] 'bud,' 'bub,' 'boy,' 'nigger,' 'coon,' 'monkey,' and all the other derogatory term[s] that degrade African American[s]. This here is cruel and unusual punishment. Inspector Free did the investigation [but] didn't correct Mr. Napier['s] accusation about me lie on the inspector stat[ing] what he sent me. I feel that Napier, Ivey, and Free should be reprimand[ed], they violated 31-SEM-02-7-12-(a)(b)-13-18-42-44-50. I fear for further retaliation;

43. On 01/03/25 @ 09:33, K. Morrow modified disposition of decision by Inspector Free, and instructed inspector to author a supplemental disposition within 14 days, for grievance (# 514 737 951);

44. On 01/03/25, I was released from the hole;

45. On 01/06/25 @ 11:53, C. Free responded to grievance (# 514 737 951) modification, "a cursory review of this incident did shows a kite was issue asking you to report to the unit staff office. The UMC will ask staff to have this conduct report removed from your record:";

46. On 01/06/25 @ 13:51, K. Morrow responded to grievance (# 514 737 951), "No further action will be taken regarding supplemental disposition of grievance," and closed the grievance;

47. The Mailroom-Processors (who are responsible for sorting mail, and either copying and sending to units, or sending legal mail to mailroom for inmates to sign and pickup), including Mr. Spaiol, Ms. Coon, and Mr. Gillion, took my clearly marked 'legal mail,' copied it against policy then sent it to my unit where the unit C/Os delivered as described in paragraphs 1 through 5 above;

48. The Director A. Chambers-Smith, Warden Tim Shoop, and Captain Ramirez, failed to maintain appropriate supervision over those employees tasked with handling my legal mail, including Mail-Processors Mr. Spaiol, Ms. Coon, and Mr. Gillion, and C/Os Patrick, and Williams;

49. The Director A. Chambers-Smith, Warden Tim Shoop, and Captain Ramirez, have failed to maintain appropriate supervision over those employees tasked with hadling of my grievances, including Insp. K. Morrow, Insp. C. Lambert, Insp. C. Free, Lt. D. Cannon, J. Currior, Unit Mngr. A. Ivey; in addition to failing to maintain appropriate supervision of those employees who directly violated my constitutional rights, including Insp. K. Morrow, Insp. C. Lambert, Insp. C. Free, Lt. D. Cannon, J. Currior, Unit Mngr. A. Ivey, T. Napier, Mr. Spaiol, Ms. Coon, Mr. Gillion, C/O Patrick, C/O Williams, and C/O Strausbaugh;

50. Each Defendant, either directly or indirectly - by implicit approval in upholding policies and/or procedures which violate Constitutional rights, and in retaliation for Plaintiff's asserting his rights (1) to be free from legal mail censorship, (2) opening legal mail and copying it in an 'arbitrary' or 'capracious' fashion, and (3) violated my right of access to the courts, and (4) right to confidentiality of a legal case that has not become public information, has by 'color of law,' violated my constitutional rights;

51. Each Defendant, either directly or indirectly - by implicit approval in going beyond policies and/or procedures, acted in individual capacities to violate my constitutional rights (1) to be free from legal mail censorship, (2) opening legal mail and copying it in an 'arbitrary' or 'capracious' fashion, (3) violated my right of access to the courts, (4) right to confidentiality of a legal case that has not become public information, and (5) retaliated against me for asserting my Constitutional rights.

Dear Goldy:

I am in receipt of your letter postmarked September 10, 2024. I do hope you are doing well under the circumstances!

Please understand that I do not have ANY documents or records relating to your Case No. CR19-2316. My representation of you ended when you were sentenced by Judge Gonzalez on November 21, 2019. After that an appellate attorney was appointed to pursue an appeal on your behalf. My understanding is that your appeal was unsuccessful.

You should understand that your case docket sheet is available online at the Lucas County Common Pleas Clerk's website. From there you can download the Indictment and all other documents that were filed with the court in connection with your case. If you do not have access to the internet, any friend or member of your family with internet access can access and print all your case documents.

I am not in a position to undertake any legal services on your behalf. At 72 years of age I am winding down my law practice and am looking forward to retirement.

Best of luck to you!

Mark

I also reviewed 75-MAL-01, 75-MAL-03 and reviewed your mail from the courts. Lt. Cannon and mailroom staff assured me all mail is being processed in accordance with ODRC policy and Administrative Rules. After observing mail being processed, I found no violation of 75-MAL-01 or 75-MAL-03. All Legal mail is being processed in accordance with policy. I reviewed your mail from the courts and there were no control numbers on this mail. It was appropriately copied and sent in with regular mail. You can contact the court and ask them to seek a control number for your future mail. CCI will continue to treat mail without a control number as regular mail in accordance with policy. There is no violation of any rule, policy, or law. Your grievance has been denied. This office will take no further action concerning this matter.

On the above date an time 11/12/24 at 3:30 Office Patrick woke me up and state that I am on the woke up list. I state that I no longer work in the kitchen. He responded very disrespectfully by stating "you is on the mufuckin list, get you ass up" I again tried to state I'm not on the list, he then stated " I woke your mufuckin ass up so you on the list". C.O. Patrick did violate ODRC policy under the standard of employees conduct 31-SEM-02 by making such inappropriate statement. He violated 7-12(B)-18-42-44-and -50 by making inappropriate statement. Would some one remind officer Patrick this conduct is beneath him once he agreed to behave accordingly to said policy he sign upon his employment with ODRC. E.O.R. ..I fear for retaliation

He came and shook me down ,and "stated this is not a retaliation. I feel this was retaliation from a complaint on his fell officer C.O Patrick .Because the last pass 30 I observed first shift officer strabron confiscated the same contraband from serval inmates and showed favoritism by not writing a conduct report. He violated 31-SEM-02 standard of employees conduct rule 7-45-(a) . I feel he should be reprimand because he violated the standard of employees conduct rule. I fear for retaliation.

I Mr Thompson on 11/25/24 was woke up around 8:40 by M's Ivory ,and asked to come and see her in her office. I came and had a interview with M's Ivory. She ask me about the grievance I wrote on Mr strobune and then she asked question about if I'm from up North, or do I have family up North. I responded what do that have to do with this grievance I'm here for? She reply "I'm just trying to help you understand how this work down here". I feel she was violated the rule 31-SEM-02-7-12(B)-13-18-42-44-50 standard of employees conduct. Because were I'm from, or how much time I have here is not what the interview shouldn't have been about. I feel she should be reprimand on violating standard of employees conduct rules. 12/05/24 09:13	Free C.	Staff Response	The office of the Inspector of Institutional Services is in receipt of your Notification of Grievance. You claim UM Ivey was unprofessional with you during your interactions. To investigate your grievance reference will be made to AR 5120-9-04 Appropriate Supervision. I also interviewed UM Ivey. AR 5120-9-04 states inappropriate supervision is any continuous method of annoying or needlessly harassing an inmate or group of inmates, including, but not limited to, abusive language, racial slurs, and the writing of inmate conduct reports strictly as a means of harassment. A single incident may, due to its severity or egregiousness, be considered inappropriate supervision for purposes of this rule. AR 5120-9-04 also states If after review the inspector of institutional services determines the complaint to constitute a possible violation of appropriate supervision the following procedure shall apply. I have reviewed and I do not believe this incident rises to the level to be considered for inappropriate supervision. I interviewed UM Ivey, and she stated she called for you to come to her office due to a complaint that you had on one of the regular officers. UM Ivey wanted to get your side of the situation. She interviewed you and asked what institution he was from. You replied that you were at NCCI. UM Ivey tried to explain that we are a southern institution, and we don't believe in targeting or retaliation and that we are here to help him succeed. UM Ivey did her best to try to gather information from you and find out what was causing the issues. UM stated at no time was she disrespectful or unprofessional during this interaction. I reviewed UM Ivey grievance history and there is no pattern of unprofessional conduct claims. There is insufficient evidence to support your claims. Your grievance has been denied. This office will take no further action concerning this matter.

12/26/24 13:32	Free C.	Staff Response	To investigate your grievance reference will be made to AR5120-9-04 concerning inappropriate supervision. I interviewed UM Ivey and CM Napier. AR5120-9-04 states inappropriate supervision is any continuous method of annoying or needlessly harassing an inmate, including, without limitation, abusive language, racial slurs, and the writing of a disciplinary report (ticket) by a staff member against an inmate or groups of inmates for nonexistent reasons. The inspector of institutional services will determine if the complaint to constitute a possible violation of appropriate supervision. After reviewing this incident, I have decided this will be investigated as unprofessional conduct and not inappropriate supervision. You claim CM Napier was unprofessional by addressing you as "Bub" which you believe stands for "blacks ugly bitches". CM Napier does not deny telling you "Just a sec bud" but denied ever hearing it stood for what you claim. This office has never heard this expression either. CM Napier was advised to always speak professionally when addressing incarcerated adults. There is insufficient evidence to support your claim. Your grievance has been denied. This office will take no further action concerning this matter.
